

Selection Committee Revised Form September 2021

Thank you for your interest in becoming a member of the ITI – International Theatresports™ Institute.

Keith Johnstone created the ITI in 1998 to promote and develop a worldwide Theatresports™ community and manage the licensing for his formats: Theatresports™, Maestro Impro™, and Gorilla Theatre™. It's a global network where you can network, learn, share inspiration, and even perform with members from around the world. Our global ITI community spans 22 countries, and the members are listed here: <https://impro.global/membership/members>

To become one of the members of the ITI community, you'll need to submit an application form. All you need to do is follow the instructions and fill in this application form and return it to us by email at office@theatresports.org

We aim to be as efficient as possible with the application process. If you are concerned about getting your application processed in time for a planned performance, contact us and we would be happy to give you an estimate of how long your information will take to review.

If your application is successful, we will send you a Production Rights Agreement along with any further details.

The approximate cost of a Production Rights Agreement is 3% of the gross revenue generated using Keith's formats with a yearly minimum payment. This minimum payment is \$200 CAD *Note: Exceptions are made for very low GDP Countries. Please contact us for details if needed.*

Along with your application form, there is a **ONE TIME ONLY \$50.00 CAD** application fee (Canadian groups, please include \$2.50 GST). Please read to the end of form for details on payment options

Groups who are part of an educational institution (whether primary, secondary or collegiate) should apply for an Educational Agreement. If you feel you may qualify as an Educational Institution, please contact us for details on applying.

If you have any difficulties or questions when filling out the application form, please contact us at: office@theatresports.org

Thank you!

**Worldwide Administration of the Production Rights for the Formats: Theatresports™, Gorilla Theatre™ and Maestro Impro™ is managed by the International Theatresports™ Institute in Calgary, Canada on behalf of Keith Johnstone; in order to legally use any of these formats, you must have an approved Production Rights Agreement.*
